

WELCOME HOME!

THE PLACE OF PROVIDENCE

WE'RE SO GLAD THAT YOU'RE CONNECTED TO OUR FAMILY!

BELONG.

BELIEVE.

BECOME.

Welcome to The Providence Family!

I am glad that by Divine appointment, you were led to join our family here at “The Place of Providence.” From the bottom of my heart, I am overjoyed of what God is doing, and what He is about to do in your journey.

Here at Providence, we have people whom you will meet that are part of “Connect.”

Connect is the Ministry that will connect you to the body of believers through your journey to become not only a member at Providence, but to be in the process to become what God has called you to be.

It is our desire that while growing in your relationship with God, you gain better insight into the will of God, the way that God has for you to grow through your connection to The Place of Providence.

Connect offers you a New Member orientation through a series of only one (1) class session scheduled in-person or online.

As a new member, your attendance is instrumental in ensuring that you gain knowledge and understanding regarding the vision of the church you are now connected to.

The overall purpose is to inform, teach, instruct, cultivate, inspire, and get you familiar with the church, and what you can expect as a member of Providence.

Once you complete the New Members Orientation, you will receive a certificate of completion, along with the Right Hand of Fellowship, the following first Sunday, giving you all rights, privileges, and responsibilities as a member of Providence Missionary Baptist Church.

Someone from our leadership team will be available to assist you with any concerns or questions you may have concerning this information, or any other member services.

We Welcome You at “The Place of Providence!”
